The affairs of the Corporation are managed by a Board of five (5) Directors. Four (4) Board positions shall be held by Resident Members and one (1) Board position shall be held by a Non-Resident Member. (Resident Members are defined under Classes of Membership below.) Each Board of Directors member shall have one (1) vote. The one Non-Resident Member of the Board of Directors shall have voting rights. All directors serve for a term of three (3) years and shall serve until their successors have been duly elected and qualified. Any Director may be removed from the Board with or without cause by a majority vote of the Members of the Corporation who are qualified to vote. In the event of death, resignation, or removal of a Director, his successor shall be selected by the remaining members of the Board and shall serve for the unexpired term of his predecessor. No Director shall receive compensation for any service he may render to the Corporation as a Director.

However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

Candidates for election to the Board of Directors shall be nominated by a Nominating Committee. Nominations may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman who shall be a member of the Board of Directors and two or more Resident Members of the Corporation. Conflicts Among Governing Documents and Membership Plan:

In the case of any conflict between the Articles of Incorporation and the Bylaws of the Corporation, the Articles shall control and in the case of any conflict between the Membership Plan and the Bylaws, the Membership Plan shall control.

Membership Numbers:

The Plan provides for a maximum of twelve hundred (1200) Memberships total and each Membership is subject to qualifying criteria described more fully in this Membership Plan.

Membership Types:

The Club has two membership classes (Resident Members a.k.a. Permanent and Non-Resident Members a.k.a. Annual). Each membership class has three sub-categories of membership. All memberships are subject to the rights, privileges and obligations set forth in the Governing Documents which may be modified from time to time. All Memberships constitute revocable licenses to use the Club Facilities, except as otherwise stated herein. Following is a description of the Classes and Categories of membership. Memberships are issued in the name of one individual. Other family members may be entitled to use the Facilities as defined under the categories of membership.

Classes of Membership

- 1. Permanent Resident Membership:** Resident Memberships are available only to owners (or those who lease or rent from owners) of homes within the Lake Jeanette Association, Inc. (the "Master Association") who pay homeowner association dues to Lake Jeanette Association, Inc. Resident Members are entitled to one vote per "qualifying" property within the Master Association and are given a reduction in their annual membership fees as set by the Board of Directors from time to time. Refer to Lessees of Resident Property below for more information on Owned, Leased or Rented Resident Property as it pertains to these memberships, also called "qualifying properties."

If a Permanent Resident Membership is not renewed from year to year, it is considered a resigned membership after one year has passed since the date of resignation. If the Member chooses to rejoin the Club after one year from the date of resignation, all applicable Initiation Fees and Yearly Dues must be paid at the time of rejoining after a one year lapse in membership.

- 2. Annual Non-Resident Membership:** Non-Resident Memberships are available to persons who live outside the Lake Jeanette Master Development. A Non-Resident Member has no voting rights.

If an Annual Non-Resident Membership is not renewed from year to year, it is considered a resigned membership after one year has passed since the date of resignation. If the Member chooses to rejoin the Club after one year from the date of resignation, all applicable Initiation Fees and Yearly Dues must be paid at the time of rejoining after a one year lapse in membership.

Categories of Membership

- 1. Family Membership Category:** A family membership is issued in the name of the applicant member and allows use of the Club Facilities for the immediate family of the applicant Member to use the Club Facilities with the same rights and privileges as the Member. The immediate family of the Member includes the Member's spouse, children under the age of 24 who reside in the Member's home and the Member's parents residing in the Member's home. Non-resident children and their spouses and children and non-resident parents are treated as quests, subject to the same rules, regulation and fees as other guests.
- 2. Single/Couple with no children Membership Category:** A single/couple membership is issued in the name of the applicant member and allows the single member or in the case of a couple, the spouse of the applicant member, full use of the Club Facilities with the same rights and privileges as the Member.
- 3. Senior Membership Category:** A senior membership is issued in the name of the qualifying applicant member and allows the applicant member's spouse to use the Club Facilities with the same rights and privileges as the Member. To qualify for a Senior membership, the applicant must be at least 62 year of age and submit proof of age upon application or renewal of membership.

Leased or Rented Resident Property as it Pertains to Qualifying Permanent Resident Memberships:

In the event a Resident Member ceases to own in the Master Association, that Resident Member shall no longer have the right to use the club facilities as a Resident Member. The Resident Member who becomes a Non-Resident must change their Class of Membership to comply with the address of their new residence and pay all applicable fees and charges at the time of change of membership.

If the Resident Member continues to own the qualifying property and leases it to another party who does reside therein, the Lessee may apply for a Resident Membership and receive the applicable discount for Resident Members as long as the Lessee resides in the qualifying property.

Application for Membership and Membership Fees:

Persons desiring to acquire Membership in the Corporation must apply for membership, pay all applicable fees and dues, and be approved for Membership. Application forms for this purpose are available from the Corporation and must be fully completed and executed and returned to the Corporation for processing and approval. An applicant may be required to attend a personal interview and submit proof of property ownership and/or occupancy. The Corporation will determine whether an Applicant is qualified for membership and its determination will be final. The Corporation is not required to give any applicant a reason for denial of an application. If an application is not approved, the applicant's Initiation Fee and Yearly Dues will be refunded without interest. Initiation Fees and Yearly Membership Dues are not transferrable or refundable once the payment has been processed.

If approved for Membership, the applicant, by submitting an application for Membership, agrees to be bound by the terms and conditions of the Membership Plan including any Exhibits, the Articles and Bylaws of the Corporation, as all such documents may be amended from time to time. Within 15 days of approval, the Applicant Member will receive a New Membership Packet and other applicable membership information.

The Board of Directors of the Corporation will set the Initiation Fee and Yearly Dues and fees to be paid by Members and guests at any level it deems appropriate. Yearly Dues, plus any applicable fees, shall be payable annually in advance unless a signed payment arrangement contract has been issued and agreed upon by all parties. Members who do not pay Yearly Dues in accordance with the billing procedure and payment arrangement contract will be considered to have resigned their Membership.

Separated, Divorced, or Deceased Members:

In the event of the separation (legal or otherwise) or divorce of a married Member (Resident or Non-Resident), the Membership shall be held in the name of the spouse who is on record as holding the original Membership. If the separated or divorced spouse holding the membership wishes to release his/her name from the membership and request that the Corporation issue the membership in the name of his/her separated or divorced spouse, then the spouse holding the membership must submit a written notice to the Corporation requesting a transfer in membership name to the other spouse. The spouse who no longer holds a membership may either purchase a new membership or visit the facilities as a guest under the terms of the Club's Guest Policy. If the "non-member" spouse chooses to apply for new membership, within twelve (12) months of the transfer the Initiation Fee will be waived, but all applicable yearly dues must be paid at the time of application.

In the event of the death of a Member, upon written notice to the Corporation, the Membership is automatically transferrable to the Member's surviving spouse. If the deceased member is not survived by a spouse, one immediate family member of that deceased Member who qualifies for membership in the Corporation may become the owner of the Membership, provided he or she is first approved for Membership. Such immediate Family Member shall make application for Membership within sixty (60) days following the death of the Member. Any yearly dues which were

prepaid as of the date of the death of the Member will be credited to the account of the new Member, if application for Membership is approved. In the event that an application is not received within the sixty-day period or in the event the application is received but is not approved, the Board will treat the Membership as having been resigned at the expiration of the sixty-day period or on the date of non-approval.

In no cases will the Corporation become involved in disputes between separated or divorced spouses, or disputes involving the heirs of deceased Members. In the case of such disputes, the Corporation may (but will not be required to) at any time, in its discretion, suspend all of the privileges associated with the Membership in question until the Corporation receives evidence satisfactory to it of the resolution of such disputes. All Yearly dues and charges must continue to be paid and failure to pay all dues and charges may result in resignation from the Corporation.

Resignation, Termination for Non-Payment or Violation of Club Rules:

No Refunds of any Membership Fees, Initiation Fees, or Yearly Dues shall be made to any Member (Resident or Non-Resident) who resigns from the Corporation for any reason; or whose Membership is terminated for non-payment of dues, fees, or other charges; or who is expelled from the Corporation for violation of its Rules and Regulations.

Guest May Use the Club Facilities:

Members are entitled to have guests use the Club Facilities in compliance with the rules relating to guests and upon payment of any applicable fees and charges. Further limitations on guest use of the Club Facilities may be adopted and implemented by the Board as use of the membership increases. The following Rules apply to Members and their Guests:

9. The sponsoring Member is responsible for any charges incurred by guests, and for the behavior, and any damages caused by guests.

Restriction, Suspension or Expulsion:

The Board may, at any time, restrict or suspend a Member's right to use the Club Facilities or expel the Member for the causes described below. No Member shall, on account of any restriction, suspension or expulsion, be entitled to any refund of any Membership Fee, Yearly Dues or any other fees. During the restriction or suspension, Yearly Dues and other charges shall continue to accrue and shall be paid in full prior to reinstatement as a Member in good standing.

If the restriction, suspension, or resignation is due to non-payment of delinquent sums, the Member shall be automatically reinstated upon the payment of the delinquent sums within one year of the restriction, suspension or resignation. If, however, more than one restriction or suspension occurs in any one calendar year, the Membership shall not be reinstated even after payment until the Member's privileges have been suspended for ninety (90) days, during which time the Member is responsible for his Club Yearly Dues. The Member must then appear in person to request reinstatement by the Board. Reinstatement shall be in the sole and absolute discretion of the Board. If such reinstatement shall not be approved, the Membership shall be terminated by the Board and the Member shall be expelled as provided in these Rules and Regulations.

Notwithstanding restriction, suspension or resignation, the Member shall remain liable for amounts owed to the Corporation and will not be relieved of any obligations to the Corporation, including payment of unpaid dues.

Reasons for restriction, suspension or expulsion include, without limitation:

6. Submission of false information regarding an Application for use privileges for a guest of the Member.
7. Unauthorized use of a Member's Membership number: and
8. Treatment of the personnel or employees of the Corporation in an unacceptable manner.

The Board may restrict or suspend a Member, a family member or a guest of a Member from privileges

of the Club Facilities for a period of up to one (1) year. A Member may be restricted, suspended or expelled from the Corporation for any lawful reason, including but not limited to those listed above. A Member who has been expelled from the Corporation shall not again be eligible for Membership or permitted to use the Club Facilities under any circumstances.

Following the determination that a Member shall be expelled, a notice shall be mailed to the Member at least ten (10) days prior to the contemplated action, setting forth the nature of the charges, the action proposed to be taken, and advising the Member that he has a right to be heard by the Board, either orally or in writing, at a time which shall not be less than three (3) days before the effective date of the proposed action. Following the hearing, if any, the decision of the Board shall be final. In the event that the Board determines that a Member shall be restricted or suspended, the Board may offer the Member a right to be heard, in its discretion.

Upon resignation, suspension, or expulsion, the Member shall forfeit all rights and privileges of Membership.
