# LAKE JEANETTE RECREATION ASSOCIATION, INC.

## Turnstone Facility Assigned Access Code Waiver and Release

As a member of Lake Jeanette Recreation Association (Association), I am requesting to obtain an assigned Access Code to the Association's Turnstone Facility for the purpose of gaining access to the restrooms during times the facility is not opened for swimming pool usage and the front doors are locked.

_____ (Initial)   I acknowledge and agree that I am not permitted to share my assigned access code with any other member of the Association and any guests, and I further agree and acknowledge that my privileges may be suspended for a period of time if I share my assigned access code.

_____ (Initial)   I acknowledge and agree that neither I nor any guest or any minor on my Association membership that I escort into the facility to access the restrooms will use the swimming pool during this time.

_____ (Initial)   I agree that I will accompany my guests and minors on my membership into the facility and wait for them so we depart the facility at the same time in order for me to assure that the entry door is secured in the closed and locked position upon our entry and our departure.

_____ (Initial)   By initialing the above agreements and by placing my signature on this Waiver and Release, I am requesting an assigned access code with full knowledge, understanding, and appreciation of the dangers of unattended pools. I further accept full and sole responsibility for my actions and actions of my guests and minor members of my family while on the premises and, in consideration of my participation, I, for myself, my heirs and assigns, and anyone entitled to act on my behalf, waive and irrevocably and unconditionally release and forever discharge Lake Jeanette Recreation Association, Lake Jeanette Swim and Tennis Club, Roskelly Management Associates LLC, Carolina Pool Management, Lake Jeanette Tennis Shop and their respective agents, officers, directors and employees, from all and any claims, demands, causes of action, or liabilities whatsoever, including attorney's fees, arising from gaining access to the Turnstone Facility during non-pool hours of operation.
